MEET THE TEACHERS

BARBARA BOONE - LEBANON, TN

I have been weaving for almost 20 years. I got started weaving when my younger sister was diagnosed with terminal cancer. She wanted to pass the tradition on.

I am the Master Weaver at Historic Granville, TN. and the Wilson County Tennessee State Fair. I also demonstrate at several craft fairs and teach classes thru out the year.

I made my first basket when I was 53 years old and I know you can never learn all about basket weaving - a person can always be taught something new.

MEET THE TEACHERS

LINDA HINKELMANN

MURFREESBORO TN

I wove my first basket from a kit in 1989. I hid it in the basement until I opened my shop in northern IL I put it out for all to see where you start and what you can accomplish. Many classes and wonderful teachers later, I have come to enjoy teaching others and continuing the art of basket weaving. Now in Tennessee I am meeting and weaving with many more new friends.

MEET THE TEACHERS

BONNIE RIDEOUT - BONNIE'S BASKETS DECATUR, IL

I wove my first basket in 1994 and quickly caught the “basket bug”. In 2006 I started my business, “Bonnie’s Baskets” teaching others how to weave. That led to selling basketry supplies, baskets and embellishments at craft and art shows. Shortly after I began designing my own baskets, which I absolutely love to do! In addition to teaching locally, I love to travel to teach. My travels have led me to Missouri, Michigan, Kentucky, Indiana, Florida, North Carolina, Tennessee, Iowa, West Virginia, Ohio, Wisconsin, Kansas and Minnesota. I am looking forward to adding a few more states to that list! In 2018 I started back at my basket business full time. I am loving it! My website is www.bonniesbasketsil.com. You can also find me on Facebook, Instagram and Etsy. Hope to see you on the “basket trail”!

MEET THE TEACHERS

BEREDA WEDDLE - NANCY, KY

I have been honing my weaving skills for over nineteen years. I love attending basket weaving conventions and learning new techniques. Since retiring in 2017 I have been sharing my passion of weaving with others by offering beginning basket weaving classes at the Pulaski County Extension Office and in my home. I am a member and at large board member of the Kentucky Basket Association, and president of the Lake Cumberland Weavers.
